About Rootree

ROOTREE is Canada's leading manufacturer of environmentally responsible flexible packaging. Operating as one efficient, integrated system, we offer many services under one roof; our main branches include Creative Services, Flexible Packaging (manufacturing), and Contract Packing.

On behalf of our family, our community, and our planet, we work every day to reshape the packaging industry. We are continually investing in green technologies and adopting sustainable manufacturing procedures that allow us to produce with up to 75% less waste than our conventional competitors.

ROOTREE is in an exciting time of growth! We have recently amalgamated our office and manufacturing facility in a new head office in Burlington. We are also in

the process of designing our brand-new, state-of-the-art, LEED Gold head office in north Burlington, to be constructed within the next two years.

If you're energized by making a real difference as part of a winning team, we want to hear from you!
